To whom it may concern:-

We are privileged to recommend the services of Tech Global in training and consulting. We have cooperated with Tech Global in order to provide our employers with a comprehensive education about the workplace environment and how a comfortable workplace environment can enhance the staffs overall job performance and help in achieving the organizational goals. The programs that were provided to our employers:

- I. Job specifications and managing employee performance, behaviour and attitudes.
- II. Emergency response management and safety related work practices.
- III. IFRS
- IV. Preparing feasibility studies.
- V. Effective communication.
- VI. negotiation for procurement and logistics.
- VII. strategic and operational planning.

The level of the services that were provided by Tech Global reached high expectations.

Yours Sincerely,

Bader Sherif
